

THANK YOU NOTE TO CLIENT AND FAMILY

Dear _____,

Thank you so much for inviting us into your home earlier this week. (CONGRESSMAN/WOMAN) and I (AGENCY OWNER NAME) really enjoyed our visit with you and loved hearing about you and your family. It was also quite gratifying to hear how much you appreciate the care you receive from (NAME OF HOME CARE AIDE).

I know how much you love being able to stay at home, and I'm so glad that (CONGRESSMAN/WOMAN) was able to see first-hand how (HOME CARE AIDE) helps you do just that!

This visit will help us tremendously as we advocate for you and other seniors. It's critical that all Americans have the opportunity to receive care in their own homes. You are a perfect example of someone who is benefitting from home care and we must continue to educate our elected officials on the value of receiving care at home rather than in a facility.

Thank you so much for being part of this national effort: Bringing the Vote Home. We truly appreciate your willingness to help our Agency and the Home Care Association of America in its quest to bring home care to every American that needs it.

Thank you!

Sincerely,

YOUR NAME
